CITY CLERK'S OFFICE
CITY OF CHICOPEE

2009 APR 21 P 4: 01

April 16, 2009

Office of the City Council
274 Front Street
Chicopee, MA 01013
Attn: William M. Zaskey, President

Dear Mr. Zaskey:

The Bureau of Justice Assistance has notified the Chicopee Police Department that we are eligible to receive a Justice Assistance Grant (JAG) through their Programs Division. The eligible allocation amount for this jurisdiction is \$182,047. Though not required the City has the option of adding a local match to expand funds and build buy-in for law enforcement and criminal justice initiatives. The JAG guidelines allow for the purchase of Law Enforcement Equipment as was predicated on past Local Law Enforcement Block Grant Programs.

The Chicopee Police Department will put the grant funds towards the purchase of new portable radios as the current radios are aging and in constant need of repair. The reliable lifespan of a portable radio for law enforcement is 10-12 years. Seventy-five percent of our radios are 10 years old and twenty-five percent are over 13 years old. A portable radio is a vital piece of equipment without which a modern police force cannot function.

The Justice Assistance Grant Funds will be used to equip each of our officers with a new portable radio that is digital capable with increased reliability and interoperability. We anticipate that the allocated amount will cover the entire cost of the new radios.

This correspondence will serve as notification to the City's governing body, which is the City Council for review and comment. Thank you for your assistance.

Best regards,

A handwritten signature in cursive script, reading "Daniel P. Sullivan".

Daniel P. Sullivan, Lieutenant
